Sir:

This paper is being submitted in response to the Notice of Non-Compliant Amendment under 37 C.F.R. §1.121 mailed on October 1, 2004 for which a response is due November 1, 2004 in the above-identified U.S. patent application.

In the Notice of Non-Compliant Amendment the Examiner noted that the preliminary amendment that was filed with the above-identified U.S. patent application on July 17, 2003 was not permitted because all the claims must be presented with status identifiers. Applicants have revised their document and are resubmitting this preliminary amendment in the proper format with each claim properly identifying their status.

The Examiner is invited to contact the undersigned by telephone if it is felt that a telephone interview would advance the prosecution of the present application. The Director is hereby authorized to charge any fees or credit any overpayments to Deposit Account No. 50-3207 associated with this response.

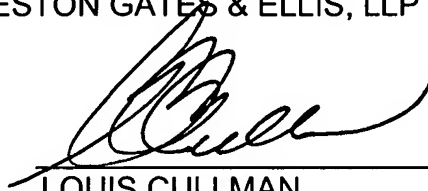

Respectfully submitted,
